

## INTERNAL/EXTERNAL JOB FORUM

Our policy is to provide equal employment opportunities to all qualified persons without regard to race, religious belief, age, national origin, marital status, physical disability, HIV status, gender, social origin, culture, political opinion, conscience and sexual orientation. Persons with disabilities are encouraged to apply. The City of Tshwane is committed to employment equity. Preference may be given to appointable applicants from the underrepresented designated groups in terms of the City's Employment Equity Plan. The City retains the right not to make an appointment and to verify all information provided by candidates.

Applicants should note that they will be required to provide proof of their qualifications or any other relevant documents (certified copies or original documents) during the selection process. Appointments will be subject to the positive verification of qualifications (from Grade 12 upwards). Any misrepresentation of qualifications or information on the application of an applicant, failure to present proof of claimed qualifications or fraudulent qualifications will disqualify a candidate for appointment. If it is an internal candidate, he/she may be disciplined for misconduct.

The online system closes at midnight on the closing date and no late applications can be accepted. If you do not receive correspondence from our office within 21 days of the application's closing date, please consider your application unsuccessful.

The City of Tshwane seeks to fill the positions as indicated in this job forum.

**The complete job forum can be accessed by visiting the City of Tshwane public website (<https://www.tshwane.gov.za>) and clicking on *Documents* and then on *Job Forums* or alternatively clicking on *Notice board* or on *Quick Links*.**

**PLEASE APPLY ONLINE BY VISITING THE CITY OF TSHWANE PUBLIC WEBSITE AND CLICKING THE E-RECRUITMENT LINK (*not to be confused with e-Tshwane*) (e-Recruitment is also located under both the *E-services* and the *Careers* links)**

**Closing date: 7 December 2023**  
**(Online applications will close at midnight)**

<b>Primary functions</b>	Manage the City of Tshwane policy on credit control through the development and constant adapting of procedures that affect the finance, electricity, water, social										

development and metro police divisions as well as the contractors involved in the execution of some of these actions

Set up and manage extensive client contacts emanating from credit control actions for debt collection and revenue protection

Manage the administration of debit orders, returned cheques, arrears payment incentives and debt suspensions and arrangements

Manage debt collection in respect of the following:

- Implementation capacity of the credit control policy by means of arrangements
- Collection of outstanding debt on debtors' accounts
- Management of policy changes in connection with debt
- Control and manage the maintenance of policies by outsourced collectors
- Manage the debtors' IT systems
- Ensure the effective and efficient administration of the Debt Collection and Credit Control Section
- Ensure that relevant legislation, policies and processes are implemented
- Ensure an effective client service (telephonic, personal and correspondence) on arrears debtors' accounts
- Provide leadership and management to subordinates to achieve the section's goals

Ensure a climate conducive to promoting and sustaining motivational levels, productivity and performance by directing and controlling outcomes associated with the use, productivity and performance of personnel within the section by doing the following:

- Define and/or adjust the key performance indicators and job profiles of personnel against service delivery requirements
- Evaluate the capability of prospective applicants and lead interviewing and final selection sessions
- Conduct appraisals to measure performance and objectives against agreed targets and set new objectives
- Identify professional and technical skill gaps and complete developmental plans for existing personnel with clearly defined career paths and job enrichment opportunities
- Monitor the adequacy of current training interventions and report on the impact after training
- Implement human resources policies and procedures to control and regulate workplace conflicts and/or institute corrective measures
- Analyse staff attendance, absenteeism, overtime and lost time, and implement and monitor specific remedial measures aimed at improving productivity and reducing personnel-related costs

Ensure that accurate estimates are prepared in relation to requirements, prepare capital and operating estimates for the department, and approve and control project-related expenditure against the budget allocations by doing the following:

- Ensure that maintenance planning, cash flow projections and budget control measures are implemented and maintained in accordance with policy by exercising overhead control
- Control expenditure and income of cost centres by means of monthly deviation reports and remedial instructions
- Verify and certify payments for progress on capital projects and service contracts
- Analyse trends, operating requirements and forward plans to establish and determine funding and expenditure for the period and consolidate the department's operating and capital budget
- Evaluate the department's performance against the budget and address deviations and variances with the appropriate personnel
- Monitor and implement corrective measures to rectify deviations and acts contrary to financial regulations, audit requirements and departmental procedures
- Communicate with Council's Financial Section on audit findings and recommendations, and institute the necessary investigative or corrective measures
- Maintain the section's asset register

Identify and define immediate, short- and long-term objectives by doing the following:

- Keep abreast of trends, theories and practices underlying the rendering of the service
- Compile the section's business and strategic plans and associated short- or long-term performance and service delivery plans
- Monitor progress of specific key performance indicators and measures
- Ensure that performance indicators are identified, objectives aligned and appropriate procedures developed and implemented

Analyse and align requirements with operating capacity and capability
